TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

Midtown Scouts Square Property, LP ("MSSP" or "Debtor MSSP") and Midtown Scouts Square, LLC ("Debtor MSS") (collectively "Debtors"), file this *Emergency Motion (I) for Order Granting Authority to Incur Post Petition Indebtedness Under 11 U.S.C. §364 and §105 a*(the "Motion") and in support thereof, respectfully states as follows:

**Summary of Relief Requested**

1. Debtors own two commercial properties located in Midtown Houston, Texas. The first property is a mixed use office/restaurant building totaling approximately 36,472 sq. feet located at 1911 Babgy Street, Houston, Texas (the “Office Building”). The second building is approximately 104,188 sq. foot eight story parking garage with ground floor retail space located at 1910 Bagby Street, Houston, Texas (the “Parking Garage”).

2. These Chapter 11 cases were each filed on May 9, 2013 and are jointly administered. By this Motion, Debtors seek authority to incur post-petition indebtedness pursuant to their pre-petition loan agreement with Mercantile Capital Corporation, which holds second liens on the Debtors’ assets. The indebtedness will be secured pursuant to Mercantile’s pre-petition loan agreement and deed of trust. The post-petition indebtedness is limited to draw requests no. 6 and no. 7 on the Debtors’ construction loan in the collective amount of \$28,173.93. Copies of draw requests no. 6 and 7 are attached hereto as Exhibits A and B, respectively.

3. Debtors move this Court on for approval of the post-petition financing in order to satisfy the ordinary and necessary expenses of operation. Debtors request the Court consider this Motion upon expiration of the fourteen (14) day notice period provided for in Bankruptcy Rule 4001.

**I. Jurisdiction and Venue**

4. This Court has jurisdiction over these cases pursuant to 28 U.S.C. § § 157 and 1334.

5. This is a core proceeding under 28 U.S.C. § 157(b)(2)(D).

6. Venue of the Debtors' Chapter 11 cases is proper in this district pursuant to 28 U.S.C. §§ 1409.

## **II. Background Information**

### **A. Overview of the Debtors**

7. These cases were filed on May 9, 2013 (the "Petition Date") under Chapter 11 of Title 11 of the Bankruptcy Code, 11 U.S.C. §101 et seq. (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their property as a debtors-in-possession pursuant to §§ 1107 and 1108 of the Bankruptcy Code.

8. No trustee or examiner has been appointed in these bankruptcy cases and no official committee of unsecured creditors has yet been established.

9. Debtor MSSP is a limited partnership that owns the mixed use Office Building located 1911 Bagby Street, Houston, Texas 770002 and the eight story Parking Garage located at 1910 Bagby Street. Debtor MSS is the general partner of MSSP. The properties are located at the east corner of Bagby and Pierce Avenue in Houston. This location is an area of the city known as Midtown. Midtown is Houston's pedestrian oriented urban community uniquely positioned on the near/southwest side of the Houston central business district.

10. The Office Building was originally constructed in 1975 and consisted of a two story 25,549 square foot building. In 2011, the Debtors purchased and began renovations of the building to include a third floor containing an additional 10,923 square feet of additional office space. The ground floor has been renovated as a restaurant space and the second floor is banquet and event center space. Mr. Peeples Seafood + Steaks currently occupies the ground floor and the second floor space and opened for business in July 2013. The third floor of the Office

Building is currently unoccupied. The Office Building also has a basement that contains approximately 7,606 of usable space. The basement is currently unfinished.

11. In 2011, the Debtor purchased .0359 acres of unimproved raw land at 1910 Bagby for the purposes of constructing the eight story parking structure with retail on the first floor. The construction of the Parking Garage is complete and the retail space is occupied by Blackfinn American Grille, an upscale restaurant that offers several distinct grill/lounge environments. The Parking Garage has approximately 238 total spaces. There is very little parking in the immediate area to serve the local restaurants and businesses and the garage is favorably located. The Parking Garage generates approximately \$22,000 a month in rent and parking charges. Market rate in the area for parking is approximately \$6.00 per day per spot.

#### **B. Financing History**

##### Bank of Houston

12. On or about January 4, 2011, Debtors entered into a promissory note (the “First BH Note”) with Bank of Houston which provided, among other things, that Bank of Houston loan MSSP \$4,188,000.00 (the “First Loan”) for the renovation of the Office Building to a mixed-use office/restaurant building, including adding a third floor to the Office Building.

13. The First BH Note is secured by a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (the “Deed of Trust”), which covers the Office Building. The First BH Note is further evidenced by a Loan Agreement dated January 4, 2011 between the Debtor, certain affiliated guarantors, and Bank of Houston, which,

among other things, provided for the terms relating to the disbursements of the First Loan proceeds. The First BH Loan proceeds were fully funded by Bank of Houston.

14. On or about January 31, 2012, MSSP and Bank of Houston entered into a Modification, Renewal and Extension Agreement related to the First BH Note, which among other things, modified and renewed the First BH Note, carried forward all liens, and provided that MSSP would commence interest and principal payment on August 31, 2012 in equally monthly installments until July 31, 2037, when the remaining principal and unpaid interest is due and owing (the "Modified First BH Note").

15. On or about January 31, 2011, MSSP entered into a promissory note with Bank of Houston (the "Second BH Note") which provided, among other things, that Bank of Houston loan MSSP \$4,252,500 (the "Second Loan") for the acquisition, construction, development and operation of the Parking Garage.

16. The Second BH Note is secured by a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (the "BH Deed of Trust"), which covers the Parking Garage. The Second BH Note is further evidenced by a loan agreement dated January 4, 2011 between the Debtor, certain affiliated guarantors, and Bank of Houston, which, among other things, provided for the terms relating to the disbursements of the Second BH Note proceeds. The Second BH Note proceeds were fully funded by Bank of Houston and the construction of the Parking Garage is complete.

17. On or about January 31, 2012, MSSP and Bank of Houston entered into a Modification, Renewal and Extension Agreement related to the Second BH Note, which among other things, modified and renewed the Second BH Note, carried forward all liens, and provided that MSSP would commence interest and principal payment on July 4, 2012

in equal monthly installments of \$30,332.56 until June 4, 2015, when the remaining principal and unpaid interest is due and owing (the “Modified Second BH Note”). The Debtors are currently making adequate protection payments to the Bank of Houston.

Mercantile Capital Corporation

18. On or about January 31, 2011, MSSP entered into a promissory note (“Interim Note”) with Mercantile Capital Corporation (the “Interim Lender” or “Mercantile”) which provides, among other things, that the Interim Lender loan MSSP \$3,350,400.000 (the “Interim Loan”) for the renovation of the Office Building (as described above).

19. The Interim Note is secured by a second Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (the “Second Deed of Trust”), which covers the Office Building. The Interim Note is further evidenced by a Construction Coordination Agreement dated January 31, 2011 between the Debtor, the Bank of Houston and the Interim Lender, which, among other things, provides that the Interim Lender will advance funds pursuant to a construction draw agreement only after Bank of Houston has fully funded the First Loan.

20. In furtherance of the Interim Loan, the Debtor entered into an agreement regarding conversion of the Interim Loan from a construction loan to a permanent loan that would result in twenty year debenture guaranteed by the SBA at 4% interest. The Interim Loan matured in January 2012. However, pre-petition MSSP (through loans from its affiliates) continued making interest only payments to the Interim Lender. The Debtor and Mercantile entered into an extension agreement extending the terms Interim Loan up through September 15, 2013.

21. The construction of the Office Building is now complete. The final two draw requests have been approved by the third party inspector and been submitted to Mercantile for payment. Copies of the two draw requests and inspection reports are attached hereto as Exhibits A and B, respectively. The Debtors request authority to incur the indebtedness to Mercantile. The indebtedness will be secured pursuant to Mercantile's Second Deed of Trust and replacement liens granted to Mercantile pursuant to the Final Order Approving the Use of Cash Collateral (See Doc #33). To be clear, the post-petition indebtedness to Mercantile will be subordinate to the first liens and deeds of trust held by the Bank of Houston (pursuant to the terms of the Construction Coordination Agreement).

### **C. Reasons for Filing Bankruptcy**

22. These bankruptcy cases were filed for two primary reasons. First, the Interim Loan had matured and the Debtor had been unable to convert it into permanent financing. The construction process was delayed when the City of Houston separately began to perform substantial infrastructure work on Bagby Street, which substantially limited the Debtors' access to the properties. As a result, the Debtors' general contractor was unable to maintain the construction schedule. Nevertheless, the construction of the Parking Garage is complete and the first floor retail space is occupied and generating monthly rental income. Mr. Peeples Seafood + Steaks is now occupying the first and second floors of the Office Building (as of June 1, 2013) and is an additional source of rental income. Second, a dispute between a prospective limited partner resulted in the commencement of a lawsuit. The Debtors have been unable to resolve the litigation. Further, the lawsuit has prevented the Debtors from converting the Interim Loan into the permanent SBA debenture.

#### **IV. BASIS FOR REQUESTED RELIEF**

##### **A. DIP Financing and Legal Standard**

23. As stated above, prior to the Petition Date, the Debtors entered into the loan documents with Bank of Houston and Mercantile, whereby the Debtors granted the Bank of Houston a first lien and security interest in substantially all of its assets, including rents (collectively “Collateral”). Mercantile has a second lien and deed of trust on the Office Building.

24. Construction on the Office Building is now complete and the Debtor seeks authority to incur the final amount of indebtedness to Mercantile in the amounts of \$9,088.84 (Draw Request No. 6) and \$19,085.09 (Draw Request No. 7), respectively.

25. Mercantile is willing to provide DIP financing to the Debtors in the amounts identified above. The DIP Financing shall be secured by Mercantile’s pre-petition liens and Second Deed of Trust and will become part the balance owed on the Interim Loan. The interest rate will be based upon the pre-petition loan documents with Mercantile, which is currently 9.25%.

26. The DIP Financing will be used to fund the post-petition construction expenses.

27. A copy of the Interim Note is attached as Exhibit “C.”

28. The Debtors believe that they have business justification for incurring the post-petition indebtedness in order to ensure that operations are funded.

29. Thus, the Debtors ask for this Court to authorize the Debtors to incur the post-petition indebtedness with Mercantile Capital Corporation in an amount up to \$28,173.93 which will be secured by Mercantile’s pre-petition liens and Second Deed of Trust on the Office Building.

30. The Debtors are unable to obtain alternative financing on reasonable terms with such short notice. Further, the proposed terms of the agreement are favorable and it is unlikely that better terms could otherwise be negotiated.

31. Bankruptcy Rule 4001(c)(2) states that 14 days' notice must be given before final approval post-petition financing. With this Motion, the Debtor is providing Bank of Houston and Mercantile Capital Corporation with 14 days notice between the time of the filing of this Motion and request that the Court grant the Motion immediately upon expiration of the 14 day notice period. There is little harm to general unsecured creditors under this agreement since the secured lenders already has a first (or second) liens on substantially all of the Debtors' assets. Thus, if the Debtors cannot fund operations, they will have to cease operating and Bank of Houston and/or Mercantile Capital Corporation will foreclose on the properties, leaving nothing for unsecured creditors.

#### **IV. Conclusion**

WHEREFORE, the Debtors respectfully request that the Bankruptcy Court:

- 1) Enter an order after expiration of fourteen (14) days notice authorizing the Debtors to incur post-petition indebtedness to Mercantile Capital Corporation; and
- 2) Grant all such other and further relief as is just and proper.

Respectfully submitted,

Before me, the undersigned authority, on this date personally appeared Alejandro Ortiz (the "Affiant"; the official signor of the "Contractor"), who being first duly sworn by me, upon oath deposes and says that:

Affiant is duly authorized to make this affidavit and is fully and personally cognizant of all facts and matters herein stated. Affiant is aware of and makes this affidavit under the laws of the state where the Property described below is located.

Affiant is the (title) President of Discovery Construction, Inc. (the "Contractor"), the Contractor on the job hereinafter described.

All funds heretofore advanced by Mercantile Capital Corporation (the "Bank") to Discovery Construction, Inc. (the "Borrower" and/or "Contractor"), for the use with respect to certain construction of improvements in or on 1911 Bagby St. 1st Floor Houston, Texas (the "Property") have been applied to the payment of obligations due to Borrower and/or Contractor for materials, labor and other cost incurred in connection with such construction, and for no other purpose.

All of the work described on the schedule (the "Schedule") which is attached to the application for payment attached hereto (the "Application") has been completed in a workmanlike manner.

There are no bills for labor and/or materials unpaid incident to the construction of the improvements except those items identified by obligee, work and amount on the Schedule, and/or Contractor has not received any notice or communication that any subcontractor, materialman, laborer or other party other than as shown upon the Schedule, has not been paid currently for all labor and materials performed or furnished in connection with the construction.

The items shown on the Schedule in the aggregate of \$ 18,680.90 (final draw amount) represent the items presently due by Borrower and/or Contractor for labor, materials and other costs incurred in connection with the construction.

All sums advanced by Bank under or pursuant to the Application are for the sole purpose of paying obligations owing Borrower and/or Contractor as shown thereon, and for no other purpose.

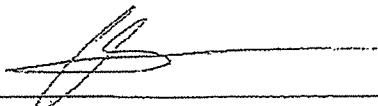

Upon disbursement by Borrower and/or Contractor of the funds advanced by Bank under or pursuant to the Application, all obligations for labor, materials and other costs heretofore incurred by Borrower and/or Contractor in connection with such construction and which are due and payable will be immediately and fully paid and satisfied.

Affiant understands that this affidavit is made for the purpose of inducing Bank to make and advance to Borrower and/or Contractor incident to construction loan secured by the Property described above and that, in making any advance, Bank will rely upon the accuracy of the matters stated in this affidavit. Affiant and Borrower, jointly and severally will indemnify, defend and hold Bank harmless for, from, and against all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses which Bank may suffer or incur because of any incorrect, false, or misleading statements contained in this affidavit.

All obligations of the Affiant and the Borrower set forth herein shall continue as long as Bank is subject to any potential, threatened or actual proceeding or legal action by reason of the fact

that Affiant or its subcontractors, materialmen, laborers and/or suppliers assert a right to payment or obtain a lien on the Property.

This affidavit and the agreements set forth herein shall be governed by the laws of the state where the Property is located. No amendment or modification of the terms of this Affidavit and Indemnity shall be effective unless in writing and executed by the parties hereto. This Affidavit and Indemnity shall be binding upon and inure to the benefit of the parties, their successors and assigns. If any term hereof is declared to be unenforceable by a court of competent jurisdiction, that term shall be deleted and the enforceability of this Affidavit and Indemnity shall otherwise be unaffected.
